Hello + Welcome

Dear Student,

Congratulations on your acceptance, and welcome to General Assembly! You should have already received an official acceptance email from your Admissions Producer, but there are a few more steps to take to solidify your enrollment and reserve your seat in the class.

As you may have heard, GA is a licensed school in the state of California. California law requires us to share some documents with you as a part of the admissions process. We have enclosed them here for your review/signature, and described them in more detail below.

These documents are intended to provide you with important information about enrolling in a GA program, which is an investment that we take very seriously. We're generally not a fan of legalese but these forms are required to contain specific language. Where possible, we've tried our best to make them clear and easy to understand.

After these documents are signed, you will hear from a member of our student services team about your onboarding experience.

Next Steps

REVIEW THE GA CATALOG

You should have received a link to a copy of GA's Catalog in your acceptance email. You can also view the relevant Catalog here: <https://generalassemb.ly/regulatory-information>. The Catalog is a comprehensive repository of GA policies and course information. We encourage you to read this carefully before you sign the Enrollment Agreement.

REVIEW AND SIGN THE ENROLLMENT AGREEMENT

The Enrollment Agreement is a contract between you and GA. It includes important information about your course, including all applicable fees, and our policies for refunds, cancellation, and withdrawal.

The Enrollment Agreement also asks for certain personal information from you. GA is required by law to collect this information from all of our students and we protect your information in accordance with relevant policies related to student records. Only regulatory staff, authorized individuals, and relevant state regulatory bodies, which oversee our licensure, will have access to this data to assess if our programs meet the relevant performance thresholds.

REVIEW AND SIGN THE SCHOOL PERFORMANCE FACT SHEET

Review and sign the School Performance Fact Sheet. This document is intended to give you data on student outcomes, including course completion and job placement rates, where applicable. If you'd like more current data on this program, we're happy to discuss it with you.

Please don't hesitate to reach out to your Admissions Producer if you have any questions about the above. We hope to see you in class soon!

Cheers,

The GA Admissions Team

Enrollment Agreement

PAYMENT POLICY

Unless otherwise agreed to in a private lending or financing agreement and as approved by General Assembly, all students pay an upfront payment of \$250 upon 24 hours of enrollment. Students are required to pay the remaining full balance at least 7 days prior to the course start date or upon enrollment, whichever is later.

Students are allowed to request a payment plan unless a student is enrolled in a one-week course. These payment plans must be approved by General Assembly during enrollment and will be documented in the attached Payment Schedule. If a student is partially paying for a course and a third-party is paying the remainder of the course, students can request to participate in a payment plan for their portion of course costs, which, if approved by General Assembly, will be documented in the Payment Schedule.

Payment in full is a graduation requirement and certificates of completion will be withheld until full balance is paid. If a student holds an outstanding balance after the course end date, a one-time \$75 late fee will be applied and a 1.5% interest charge on the total due will be applied each month thereafter. Students will incur a \$25 fee for declined transactions or returned checks.

General Assembly may, in its sole discretion, refer a student's account to a collection agency without further notice to the student in the event the student is in default in any payment due. To the extent permitted by applicable law, the student agrees to pay all costs incurred by General Assembly in collecting the balance due.

THIRD-PARTY SPONSOR PAYMENT POLICY

A Third-Party Sponsor Payment Form must be completed to provide authorization for General Assembly to bill a student's third-party for all or part of their educational expenses.

The following terms and conditions apply to the student for third-party sponsor payment:

Third-party sponsor payments are not conditional on student performance in or completion of a course. It is the student's responsibility to provide their third-party sponsor the correct information concerning tuition and fees and any other information needed by the third-party sponsor. This is especially true if there are any changes to any charges after the original authorization form is submitted.

Third-party sponsorship does not relieve a student from any financial responsibility. The student is ultimately responsible for their educational costs. If a third-party sponsorship amount is changed or cancelled, for any reason, the student is responsible for unpaid amounts due to General Assembly. Future sponsorships are not allowed until current sponsorships are paid in full. A student cannot enroll in future courses or receive a certificate of completion until all charges on their account are paid in full.

Students will be assessed a late-fee (as outlined above) if they fail to make timely payments for all charges not covered by their third-party.

Enrollment Agreement

Cancellation, Withdrawal, Refund

GENERAL ASSEMBLY'S RIGHT TO CANCEL

1. General Assembly reserves the right to cancel or postpone a course date or to change a course location at any time. If this happens you will be entitled, at your discretion, to attend the course at the proposed later date, or to receive a full refund of any course fees you have already paid to attend the course on the original date and/or location.
2. General Assembly reserves the right to cancel an enrollment based on conduct violations prior to course start date. If you display threatening, abusive or dangerous behavior towards us or any of our staff or personnel, then we reserve the right to refuse to allow you to continue taking the course. In such circumstances you will not be entitled to a refund of any fees paid except as mandated by your state's refund policy and we reserve the right to prevent you from taking any course in the future if we feel that is necessary for the protection of our staff or personnel.
3. General Assembly reserves to cancel an enrollment if a student has failed to complete the pre-work required for course participation.

STUDENT'S RIGHT TO CANCEL

1. Cancellation occurs when the student provides a written notice of cancellation at the address of attendance stated on the enrollment agreement. This can be done by email or by hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
2. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
3. You have the right to cancel your course of instruction, without any penalty or obligation, through attendance at the first class session (the Course Start Date on p. 1 of this Enrollment Agreement) or seven days after enrollment (the execution date of this agreement), whichever comes later.
4. If the Enrollment Agreement is canceled, the school will refund the student any money he/she paid, less the registration and course materials received by the student within 30 days after the notice of cancellation is received.

WITHDRAWAL FROM THE COURSE

Students may withdraw from the course at any time after the cancellation period (described above) and refunds are determined in accordance with the Refund Policy stated below.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a course when any of the following occurs:

- » The student notifies General Assembly in writing of the student's withdrawal or as of the last date of attendance, whichever is later. The failure of a student to immediately notify General Assembly in writing of the student's intent to withdraw may delay any applicable refund of tuition to the student.
- » General Assembly terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations; absences in excess of maximum set forth by General Assembly; and/or failure to meet financial obligations to General Assembly. In these cases, the official termination date of enrollment shall be the student's last day in class. If a student has been withdrawn for failure to maintain satisfactory progress or for violations of General Assembly's attendance policy, the student can only be readmitted with the approval of the Regional Director into a future instance of the course after final grades have been issued for the original course.
- » The student has failed to attend class for 3 class meetings without prior approval. Students who withdraw due to an emergency, such as personal or family illness or national service, may be re-enrolled into another General Assembly course following approval by the Regional Director.

Enrollment Agreement

REFUND

All refunds will be paid within 30 days of withdrawal. Refunds will be less a registration fee.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if applicable, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If you withdraw, you will receive a pro rata refund if you have completed 60% or less of your course through the last day of attendance. You will be responsible for 100% of the tuition for your course if you complete more than 60% of the course, even if you do not complete the entire course.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the course (total institutional charge, minus non-refundable fees, divided by the number of days in the course), multiplied by the number of days scheduled to attend, prior to withdrawal.

UNDERSTANDINGS:

2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
3. General Assembly does not participate in federal financial aid programs. However, if a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Cancellation is effective on the date written notice of cancellation is sent. After the cancellation period, refunds will be provided in accordance with the refund policy stated above.
